90 Points - Yes, indeed, Dry Creek Vineyard does Sauvignon Blanc, and very well at that. Winery founder David Stare made sure of that long before anyone thought Sauvignon was a viable commercial grape in California. So DCV had a passion for Sauvignon then, and still does. The basic 2010 Fumé Blanc (100 percent Sauvignon) is a classic, exhibiting intense aromas of lemongrass and dried herbs, passionfruit and grapefruit, with exquisite balance, modest alcohol (13.5 percent) and a lingering finish. It’s quite a lot of wine for \$12.

October 2010

89 Points - “**Top 100 Best Buys 2010!**” - This is a delicious, balanced Sauvignon Blanc that’s the equal of many wines costing much more, which makes it a great value. It features lemon and lime flavors made richer by notes of pineapples and honeysuckle. Entirely unoaked, it’s a great cocktail sipper.

87 Points - “**Good Value!**”- One of the most consistent performers in our tastings, this wine comes through again in its latest version with glimpses of melon, peach and fresh grass and repeats those nicely focused notes in a balanced, mid-sized wine. Bright, lively and easy-to-drink, this one will make palates happy and wallets happier.
